Tuning A Fine Machine

AN OUTLOOK:

Take this simple multiple choice quiz that describes the 1977 Northern Iowa football team.

- A. Veteran offensive line.
- B. Junior dominated
- C. All-new defensive line.
- D. Quick and dangerous.
- E. All of the above.

The correct answer is "E". It is hard to nail down one simple tag on the 1977 Panthers, because this year's squad will be made up of a potpourri of descriptions.

There are ten senior lettermen returning for the 1977 season and that gives the Panthers the experience edge. But they also show 13 junior lettermen heading into fall practice that combined for considerable playing time last year.

Northern Iowa sports some heavies led by All-American candidates Kevin Barz (6-3, 240) at right tackle and versatile Terry Allen (6-2, 200) at quarterback. Other front-liners include Bob Klavas at tight end, newcomer Norm Montgomery (6-1, 205) at fullback, and bruising William Clark (6-2, 205) at linebacker.

Head Coach Stan Sheriff, heading into his 18th season as the winningest coach in Panther history, has the job of molding this season's Panther squad into a well-tuned machine and keep it running through an attractive but challenging 1977 schedule.

Sheriff's immediate duties this fall will be to develop a defensive line that will have all new faces, after graduation took its toll with four starters departing. On the other side, Sheriff will need to refurbish a backfield that also lost heavily to graduation, with the loss of 1,000-yard-plus rusher Neal Moses and a host of other running backs that saw considerable action last year.

The Panthers have a veteran offensive line returning led by All-American candidate Kevin Barz at right tackle. Barz will draw the eye of professional scouts with his excellent quickness and agility. Jim Spahn will be at the other tackle with Bob Fertig and Bob Wentzel at the guards. The only big question mark will be at center where James Pitlik and Brian Ginn will be battling for the No. 1 spot. Tight end Klavas will be the best at the posi-

tion in the North Central Conference, with Jeff Hamilton backing him up.

At the wides, the Panthers return veteran senior Joe Manigault but he will be hard pressed for a starting position by two superlative sophomores — Mark Hendrickson and Mike Shaw.

Offensively, the backfield sports a punch but will need to develop the breakaway speed it had last year. Fullback Norm Montgomery, a transfer from Minnesota, and running back Carl Davis are the top candidates but will be challenged by Mike Curry, another transfer from Mankato State, and Pat Lynch.

Sheriff will not have to look for a new quarterback with Terry Allen coming back for his junior year after a very educational sophomore year. Allen will be the best collegiate quarterback in Iowa this fall and from all indications from spring drills, should have another excellent year. Sheriff rates Allen as one, if not the, best quarterback in Division II.

The defensive line is Sheriff's biggest worry with the graduation of NCC MVP Mel Campbell, tackle Terry Leonardelli, and possibly the best pair of defensive ends ever at UNI — Marty Stratton and Walt Krebs. The most likely candidates will be veteran Neil Phipps and JC transfer Todd Leonardelli at the tackles and Ed Arnold and Rod Tegeler at the ends. Rugged Reed Hunemuller has made the switch from linebacker to nose guard and should have a stellar year. The linebackers are led by returning starter William Clark and a group of youngsters including Dale Eastman and Larry Rogers.

The secondary poses another problem as the Panthers finished last in the NCC last year against the pass. Tom Nixon, Tim Johnson, Jim Ross, and Dana Deines will be battling for the two cornerback spots. David Erstad is the top candidate to take over for the graduated Nick Maragos at free safety, and Randy Hoffa has the edge at the strong safety spot.

The kicking game is solid with the return of junior Mark Whitver. Whitver will enter fall practice as one of the top punters in Division II, where he averaged 40.4 yards per punt as a sophomore, but is equally good at field goals, PATs and will handle the kickoff chores.

The schedule also poses a problem — especially games on the road. UNI's first two opponents on the road were NCAA Division II playoff qualifiers last fall and are equally strong this year. The comforting thought is that UNI has

seven home games in the UNI-Dome.

Head Coach and Athletic Director Stan Sheriff

For Head Coach Stan Sheriff the magic number is one. Sheriff, heading into his 18th season, needs only one win this season to reach the century mark in total victories. The 45-year-old head Panther mentor became the winningest coach in UNI history last season when he pushed his career mark to 99-66-3 and a winning percentage of .598. That surpassed the old mark that the late, great Clyde "Buck" Starbeck piled up of 95 wins in 20 seasons.

Sheriff came to UNI as assistant line coach for Head Coach Bill Hammer at the then Iowa State Teachers College and was elevated to the head post in 1960.

His very first Panther team posted an impressive 9-0 regular season mark before losing to Hillsdale College 17-6 in the Mineral Water Bowl. That marked the first time in the school's history for any Panther team to be invited to a post-season bowl tilt.

Sheriff assumed the additional role of athletic director in 1970 succeeding Dr. James Witham. He oversees the 11-sport intercollegiate athletic program at UNI as well as an energetic promoter of Panther athletics. Under his direction, UNI won the North Central Conference all-sports trophy four consecutive years.

Born April 24, 1932, in Honolulu, Hawaii, his family later moved to San Francisco where he earned all-state honors at George Washington High School.

Sheriff went on to earn all-conference honors as a center and linebacker three straight years at Cal-Poly-San Luis Obispo and received All-American recognition as a center in 1953. He became one of the first college division players to participate in the Annual East-West All-Star Shrine Game and the Hula Bowl.

The Los Angeles Rams drafted him as a linebacker in 1953 and he also played with Pittsburg, San Francisco and Cleveland before retiring in 1958.

From 1955-56, Sheriff served in the army where he first began his coaching career. As recreation director, he coached the 4th Infantry Division to the European title in 1955.

In 1958, Sheriff received his M.A. in Physical Education from Cal Poly before coming to UNI.

His record speaks for itself - 10 All-Americans, 55 All-North Central Conference players, four NCC crowns, and a post-season bowl championship in 1964 when UNI downed Lamar Tech 19-17 for the Pecan Bowl title.

Sheriff and the entire state of Iowa realized a dream come true in February of 1976 when the UNI-Dome, a multi-purpose domed facility, was completed. He was the main driving force behind construction of the completely air-supported coliseum - a definite landmark in the Cedar Falls-Waterloo area.

His knowledge of football and athletics does not stop at the university level. Sheriff served a nine-year term on the NCAA Football Rules Committee. He is also a member of the prestigious NCAA Television Committee and two American Football Association Committees, conventions and public relations.

Stan and his wife, Jane, have three sons; Paul, Michael, and Richard.

An All-American defensive tackle at UNI in 1959, he also earned All-North Central honors in 1958 and 1959. After graduation in 1960, he played professional ball briefly for Buffalo. He joined Sheriff's staff as a graduate assistant in 1961 and served for two seasons before coaching at Iowa Central Community College in Fort Dodge, in 1963. Remmert rejoined UNI's program full-time in 1964, when the Panthers visited the Pecan Bowl. He also received his M.A. Degree in Physical Education in 1964. He joined Sheriff's crew as a graduate student in 1973 and took over on a full-time basis last season. Also an accomplished artist, Green majored in art and experiments with several different styles. Columbus, Ohio is his hometown, where he was born 8/15/48. The 29-year-old Green is a bachelor.

Lorenz

Thomas Lorenz — Defensive Backfield Coach

After a year with the Minnesota Vikings, he taught school in Reinbeck and played semi-pro with the Cedar Rapids Raiders. In 1973-74, Lorenz served as a football graduate assistant to Head Coach Earl Bruce at Iowa State. In 1975 Lorenz joined the Panther staff as a graduate assistant and became full-time over the summer. He was born 6/13/49 and grew up in Reinbeck, and he and wife, Tracy, have one infant son.

The Panther Captains

86 - Bob Klavas, Tight End 6-2, 220, 21, Sr., Crown Point, Ind. Offensive Co-captain

Rated the top returning tight end in the North Central Conference, Klavas is a cinch for post-season honors ... has the reputation of catching the ball in heavy traffic and then bullying defenders over for additional yardage ... former Waldorf Junior College stand-out, caught four passes last season but turned them into 224 yards and two touchdowns ... started every game for the Panthers last season and is looked upon to have an even bigger and better 1977 season ... an All-Conference and honorable All-American pick while at Waldorf.

Sheriff says of Klavas: "He's got the added ability of catching a badly thrown pass in a swarm of defenders and getting additional yardage when it's really needed. He's a strong individual that takes more than one person to bring him down but also has break-away speed to turn into touchdowns."

The Klavas story:

Pass Receiving:

Year	G	No.	Yds.	A/P	A/G	TD	LG
1976	10	4	224	16.0	22.4	2	43

50 - Kevin Barz, Offensive Tackle 6-3, 240, Sr., Geneva, Ia. Offensive Co-Captain

Will be on someone's All-America team at the end of the season ... rated one of the top Panther offensive tackles ever ... definite all-conference material ... started every game for the Panthers except last where he sat out with knee injury ... transferred in from Ellsworth Junior College where he was a two-year starter ... main assets are excellent strength and superb speed ... received honorable mention all-district while at Ellsworth ... named All-State and MVP his senior year at Ackley-Geneva where he lettered in four sports ... was also president of senior class ... natural for co-captain because of leadership abilities ... has the ability to hold his own against some of bigger defensive lineman and considered excellent blocker.

**36 - William Clark, Linebacker
6-2, 205, 21, Junior, Miami, Fla.
Defensive Co-captain**

Will head a Panther defensive unit which ranked second in the North Central Conference in total defense ... lived up to his expectations of being one of the finest linebackers in the league and was named honorable mention on the defensive unit ... this season, Clark has higher goals ... the two-year letterman returns as the top tackler on the defensive unit where he made 89 total stops including 49 solo tackles ... broke his way through to sack the quarterback three times last season ... excellent lateral speed with the keen sense of getting to the ball carrier in a hurry ... definite all-conference material ... while at Miami High School, Clark played defensive end and roverback besides linebacker ... worked as a counselor last summer in Miami.

**96 - Neil Phipps, Defensive Tackle
6-1, 235, 24, Senior, Cherokee, Ia.
Defensive Co-captain**

The 'veteran' of the Panther defensive unit, Phipps is back this season after sitting out last year as a red-shirt ... started for the Panthers in the first game of the season but tore ligaments in his right knee in practice that knocked the former Cherokee prep out ... is a top candidate for one of the starting defensive tackles spots ... good strength and technique to make him a steady player ... veteran of the U.S. Marine corps where he ranked as a corporal ... one of the smarter players on the team with a 3.38 accumulative grade point in physical education ... earned All-Conference honors in high school at Cherokee ... married to the former Jodi Holtman.

On Offense

11 Terry Allen, 6-2, 205, Jr., Iowa City, Ia. quarterback

On his way to becoming one of the greatest quarterbacks in Panther history ... had a super sophomore year in guiding UNI to an 8-3 season ... biggest assets are intelligence and quickness ... carries a 3.03 accum. in the classroom in History ... tied two Panther records and broke another last season ... definitely All-American material ... ahead of the pace set by another former Panther great - Bill Salmon ... led the Panthers in total offense and scoring ... ranked third in the NCC in total offense and scoring ... strong throwing arm another plus.

17 Terry Soli, 6-2, 175, Jr., Mason City, Ia. quarterback

Saw only limited action last year while a backup to Terry Allen ... one of the quickest quarterbacks ever at UNI ... sat out all of spring practice with mononucleosis ... was a first team all-conference pick while a prep at Mason City ... also ran on state champion 440 and 880 yard relay teams ... will push Allen for a starting job again this fall.

13 Mike Harkness, 5-10, 185, Soph., Burlington, Ia. quarterback

Could be a big surprise in fall practice ... had an excellent spring practice and spring game ... threw touchdown pass in spring game ... saw more playing time last spring with absence of No. 2 Soli ... throws with authority ... rated an excellent passer but not quite the running ability of Allen and Soli ... was an All-State selection while a prep at Burlington High ... a hard worker who has a good future in front of him as a Panther.

34 Carl Davis, 5-8, 175, Sr., New York, N.Y. running back

The New York taxi cab driver is back this year to weave himself through defensive lines ... is in the drivers seat as the No. 1 candidate for a running back slot ... saw limited action last year due to an injury early in the season that got the New York city native off to a slow start ... has the double ability of also being an excellent blocking back and was inserted into the lineup on short yardage situations ... was captain and MVP his junior and senior years as a prep at New York Haaren High ... is capable of exhilarating at fast speed but able to shift into low gear to make the needed cut ... had an excellent spring practice and scored one touchdown in the annual Alumni vs. Varsity spring game.

Northern Michigan 41, Northern Iowa 7

Sept. 4...

Cedar Falls, Ia. ... Attendance 12,000 ...

Northern Michigan didn't make Dedication Night of the UNI-Dome a very pleasant one as the No. 1 ranked team in Division II rolled to a 41-7 win before 12,000 Panther fans.

The Wildcats piled up 503 yards of total offense to UNI's 286 to mark the first intercollegiate game played in the completely covered coliseum.

Northern Michigan got 20 points on the scoreboard on runs by Randy Awary (16) and flashy Reggie Webster (42) along with a 53-yard scoring bomb from quarterback Steve Mariucci to Maurice Mitchell. Webster had an excellent night by gaining 170 yards on 16 carries.

The Wildcats scored once in each quarter before UNI got untracked when sophomore quarterback Terry Allen found tight end Bob Klavas all alone for a 21-yard scoring tally in the final stanza.

Allen, taking over for the graduated magician Bill Salmon, threw for 163 yards on 11 completions.

55 Degrees, Clear

The real outcome of this game occurred two weeks later when St. Cloud St. revealed that one of its players was ruled ineligible forcing the Huskies to forfeit* a 27-21 win over the Panthers.

St. Cloud St. struck first on a 71-yard scoring bomb from quarterback Dick Erickson to wide receiver John Kimbrough. The Huskies tallied twice in the second quarter for a 20-7 lead.

But the Panthers never gave up and staged a late rally sparked by a five-yard run by Tom Scalissi in the third quarter and a two-yard scoring pass from Terry Allen to tight end Bob Klavas.

Fullback Neal Moses a non-starter, made his initial appearance in a Panther uniform a devastating one when the senior transfer rushed for 152 yards on 20 carries.

The Panthers had 371 total yards to St. Cloud's 403.

Northern Iowa opened North Central Conference play with a victory — barely.

The Panthers opened the game up in the fourth quarter when Terry Allen plunged over from the three for a 24-7 lead with just 8:53 left in the game.

But the Fighting Sioux staged a brilliant rally to score twice within a 36-second span. Quarterback Pat Wacker hit Lowell Schweigert on a 43-yard scoring pass with 3:00 left. The Sioux took over on the Panther 32 after recovering the ball on an on-side kickoff. A pass interference penalty against the Panthers took the ball down to the two where fullback Bill Deutsch took it in on the next play. Deutsch made it an 8-point play on a two-point conversion run with just 2:24 left.

UNI had 383 total yards to North Dakota's 328.

Oct. 9 . . .

Sioux Falls, S.D. . . . Attendance 6,000
65 Degrees, Partly Cloudy.

The Panthers made it two in a row in the North Central Conference with a close 7-6 win over Augustana.

Defensive end Marty Stratton turned in what may have been his best defensive effort of his career when the senior broke through the Augustana line to block a field goal attempt by Augie's Jon Oien with just 1:12 from 32 yards out. Oien had earlier given the Vikings their six points on field goals of 30 and 33 yards. Stratton also sacked quarterback Dee Jay Donlin twice and for his effort was named the NCC defensive player of the week.

The Panthers' only tally came in the second quarter on a 39-yard scamper by Neal Moses.

The game produced a punting duel between UNI's Mark Whitver and Augie's Brent Hoegh. Whitver won the contest with seven punts for 305 yards with one soaring 74 yards. Hoegh punted six times for 272 yards with one sailing 63 yards.

Oct. 16 . . .

Cedar Falls, Ia. . . . Attendance 9,400

When Mankato State decided to drop out of the North Central Conference, UNI had to round up another opponent to fill in for the Shrine date and found Wayne State of Nebraska as its opponent.

A Shrine Night crowd of 9,400 watched as the little school from Nebraska stayed even with the Panthers in the first half before the Panthers got untracked in the third quarter.

Neal Moses showed why he was one of the top fullbacks around by piling up 188 yards and scoring twice on jaunts of 45 and 41 yards. Quarterback Terry Allen also tallied twice for the Panthers as UNI rolled up 331 yards on the ground to Wayne State's four.

UNI ended the mismatch with 430 yards of total offense to Wayne State's 115 yards

Oct. 23 . . .

Cedar Falls, Ia. . . Attendance 14,200 . . .

A cold-drizzle outside didn't keep a record Homecoming crowd of 14,200 fans from watching a football game in the UNI-Dome as Northern Iowa rolled to an easy 37-7 over Morningside.

The outside temperature registered 42 degrees but at kickoff the temp read 69 degrees as the Panthers ran their mark to 3-0 in the North Central race and 6-1 overall.

Freshman speedster Mike Shaw started things off in an explosive manner as the Nevada runner took the opening kickoff and raced 95 yards to give the Panthers a 7-0 lead. The Chiefs tied it up in the second quarter for their only tally of the game but quarterback Terry Allen put the Panthers out ahead to stay on a nine-yard run to paydirt. The sophomore signal caller scored twice more on runs of 75 and seven yards to put the game out of reach.

Allen accounted for 280 yards of total offense-rushing for 182 yards and passing for 98 more.

The Panthers finished with 429 yards total offense — 323 of it rushing.

South Dakota State 16, Northern Iowa 13

Oct. 30 . . .

Cedar Falls, Ia. . . Attendance 8,100

For the 8,100 fans who witnessed this game, many walked away stunned and many thought it was one of the most exciting finishes to a game in Panther history.

On fourth and ten with :01 remaining on the clock, SDSU quarterback Pat Weikert lofted a 53-yard pass to tight end Monte Mosiman. Mosiman caught the ball at the two and his momentum carried him into the end zone with no time left on the clock.

The Panthers had taken a 13-0 lead into the locker room at halftime on two field goals by Mark Whitver and a one-yard plunge by quarterback Terry Allen.

But the Jackrabbits fought back when Mosiman caught a 24-yard TD pass in the third quarter. UNI took an intentional safety with :30 left to set up the dramatic finish.

In a showdown for the North Central Conference crown, a record-breaking Parents' Night crowd of 15,100 watched the two heavyweights battle in a title bout.

The Panthers could tie for the NCC crown with the Bison with a victory and a win for NDSU would give them the title outright.

The Panthers drew first blood in the second quarter on a 24-yard field goal by Mark Whitver for the only scoring in the first half.

North Dakota State struck back in the third quarter on a 10-yard pass from Steve Campbell to Mike McTague. The Bison made it 10-3 when McTague split the uprights from 31 yards out with 2:25 left in the game.

But with :21 seconds left, Terry Allen capped a brilliant 75-yard touchdown drive when he found wide receiver Rick VerHuel on a 22-yard scoring toss.

Panther Head Coach Stan Sheriff elected to go for the win on a two-point conversion, Allen was stopped short when he tried to sneak it over but the Panthers got a second chance when NDSU was called offside. Neal Moses got the call but was denied by the NDSU defense at the goal line.

Northern Iowa shrugged off some first half mistakes to score 27 points in the third quarter on its way to a 47-20 non-conference victory in the season finale.

Quarterback Terry Allen threw three touchdown passes and scored two touchdowns, one on a 67-yard run, as the Panthers closed its season with an 8-3 mark.

UNI was able to pile up 473 yards of total offense of which 325 came on the ground. Fullback Neal Moses climaxed his one-year career at UNI by gaining 110 yards to finish the season with 1,010 yards.

Allen's TD tosses went to Marty Burroughs (20), Rick VerHuel (23) and Jeff Hamilton (7). The two touchdown runs gave the sophomore from Iowa City 14 for the season, tying a school mark set by Art Landau in 1953.

Tom Scalissi capped his four-year career in a Panther uniform when he scored from one yard out in the fourth quarter.

Brief Outlook

The timetable he established when he took over the reins of the Northeast Missouri State football program two years ago is right on schedule, according to Ron Taylor. He thinks the 1977 Bulldogs should be contenders for the Missouri Intercollegiate Athletic Association crown again this fall.

NMSU compiled a 5-3-1 record, and shared the 1976 conference championship with Southeast Missouri State in Taylor's second campaign at the helm. Next season, he will welcome back 23 lettermen, including eight first team all-league choices and three others making some kind of all-loop honors.

Among top holdovers are two honorable mention All-American selections, senior running back Steve Powell, who gained 1,035 yards and ranked sixth among NCAA Division II rushers, and senior split end Lloyd Henry, who grabbed 33 passes for 447 yards last fall. Other first team all-MIAA returnees include junior quarterback Steve Rampy, who completed 59 aeriels for 952 yards in 1976, senior defensive halfback and return specialist Mike Laususe, who finished sixth among NCAA Division II kick runback leaders, offensive guard Darrell Bufington, linebacker Marti Rave, defensive end Pete Grathwohl and defensive tackle Mark Sobol.

Taylor recruited some high-touted junior college products to plug holes at the offensive center slot, running back posts and the defensive secondary.

Brief Outlook

The Wildcats have returning strength in the offensive skill positions, but face a rebuilding job in most other areas with the possible exception of linebacking.

All-American (AP 3rd team) quarterback Steve Mariucci, who ranked 5th in the nation in NCAA-II total offense last year with an average of 222.4 yards per game, returns along with running backs Randy Awrey and Reggie Webster and split end Zachary Fowler.

But there will be new faces at four of the offensive line positions and coach Gil Krueger must also come up with a replacement for flanker Maurice Mitchell who averaged 5.2 catches per game last fall.

End Carl Ulmer is one of three returning starters in the defensive line and Randy Zimmerman is on hand again at linebacker, but there will be a trio of replacements needed in the defensive secondary where only safety Joe Stemo will be back on the job.

The Wildcats have returning lettermen available at every position. The question is how well last year's back up men can perform in starting roles.

Brief Outlook

The prospects of having two runners, Mark Stettner and Chris Cobb, capable of rushing in excess of 1000 yards brighten the hopes that Eastern Illinois University's Panthers will get over the .500 mark that barely eluded them last fall.

After starting with a 4-0 record and lofty No. 7 rating in the NCAA II poll, the Panthers stumbled in the last half of the season and finished with a 5-6 record. But there is enough backfield talent returning to allow Coach John Konstantinos some measure of optimism.

Cobb, a 5-9 sophomore, rushed for 1152 yards as a freshman (13th in nation) while Stettner, a 6-0 senior who will set a career rushing mark early in the season, had 963 yards.

Also back is Andy Vogl, a junior quarterback who has started most of the last two years, is experienced but a broken wrist and broken arm has forced him to miss several contests the past two years so he is susceptible to injury.

First Team Associated Press All-American center Ted Petersen and three other offensive linemen have graduated after leading the offense to 6th place in national rushing stats with 262 yards per game.

The defense will be almost brand new. The top returnee is Kim Wells, 6-0 junior free safety, who intercepted six passes and recovered three fumbles last season. The interior linemen all graduated including HM All-American Wayne Ramsey.

Cornerback Andre Phillips, defensive end Ray Kemezys and linebacker Dennis Ghinazzi are the most experienced personnel.

Brief Outlook

It would be hard to see the Bison slip from 1976 achievements. But how does a PR department bill a team with 17 starters and outstanding potential. The Bison will have to be the favorite this season in the NCC. And they will have to be one of the top favorites for the national crown. The ifs??? Depth might be the biggest if on the squad ... Critical injuries could cause the Bison concern.

The Bison were a powerful running team in 1976 but the second and third leading rushers will be missing ... Still, the Bison have slick sophomore-to-be quarterback Steve Campbell (6-2, 196) who led the Bison to nine straight mid-season wins. He ran for 401 yards and 6 TDs and passed for another 558 yards and 4 TDs — all in just 8½ games. Leading rusher Ross Baglien returns and the 5-11½, 196-lb. slasher ran for 613 yards and 7 TDs in the 10-game regular season ... And the Bison have an excellent wide receiver in three-year regular Bill Nutton (6-1½, 190) who caught 22 passes for 3 TDs last year.

The Bison will miss All-American honorable mention tackle Tim Jeske but everyone else returns in the defensive front five.

Brief Outlook

After going undefeated in 1975, the Fighting Sioux slipped to 1-7-1 last season. But 1977 looms as optimistic due to a less demanding non-conference schedule. However, the young North Dakota team will find its North Central Conference schedule as tough as ever.

Head coach Jerry Olson, beginning his 10th season, will work with 33 lettermen, including eight offensive and six defensive starters. UND is expected to use a multiple offense and a standard 5-2-4 defense.

Heading the returning offensive unit are quarterback Greg Gunderson, a good passer, and flanker Pat Wacker. Gone is record-shattering runningback Bill Deutsch, but Coach Olson has uncovered improving new backs — Dave Jensen, Jim Knutson and Toby Rothfusz. Up front on offense he'll have Steve Sybeldon and Tim Scully at tackles, Steve Dietsch at center, Rod Ulland and Paul Davis at guard.

The defensive unit should have a strong secondary with cornerbacks Fred Slone, Mike Compton and Brad Gador returning, plus Mike Voelker at safety. There are four defensive tackles back — injury-plagued Mike Lanser, Chuck Servi, Dale Markham and Joe Paul. Joe Friederichs is a strong defensive end. Top linebackers appear to be Doug Malikowski and Bruce McCardle.

Brief Outlook

The Augustana Vikings will be starting the 1977 season under the direction of new head football coach, Joel Swisher. He comes to Augustana from Dakota State, where his teams compiled a 26-12-1 record during the four years he was there. His teams won or shared the SDIC title three times out of those four years.

The main strength of this years team appears to be defense, where the returning lettermen number 13.

On offense, the Vikings will be striving to find consistency in the offensive line, which was a problem last season, and could again be a problem this season as three starters were lost to graduation. At the tackle position, Kurt Yonker returns, along with a converted guard, Don Peterson. At the guard position, veteran Matt Englemann returns, along with a newcomer Kurt Wickiser, and Pat Knickrehm. The center position is still a question mark. In the backfield, the leading ground gainer of last season, Bill O'Connor returns, along with Scott Magnuson, also a starter from last season. The Vikings return a talented quarterback in Dee Jay Donlin. He has been ranked in the national stats each of the last two seasons.

The kicking game appears to be in good shape with the return of punter Brent Hoegh 42.2 average last season, and field goal and extra point kicker, Jon Oien and kick off specialist, Stan Biondi.

Brief Outlook

When talking UNO Maverick football, one has to begin with All-American wide receiver Danny "The Steam Machine" Fulton. Fulton and his offensive mates compiled the fifth highest point total in UNO history while averaging 23.2 points per game. However, even with the potent Maverick attack, UNO managed to win only three of eleven games. But things look improved, and coaches are again optimistic. This year's optimism has many facts to back it up.

First, back to Fulton. The 6-2, 185 pound Fulton made setting two all-time NCAA Division II records look easy. His 1581 yard receiving broke Eddie Bell's previous record, and his 23.6 average yards per play will be established as a new Division II record (it exceeds the Division I mark). He caught 67 passes, scored 16 touchdowns through the air, and scored on at least one touchdown pass in each game.

Ironically, Maverick coaches are hoping that Fulton's figures are not quite so spectacular this coming year. The reason? With junior Clarence Elliott and sophomore Jim Ripa at fullback and sensational sophomore transfer Bobby Bass at runningback the Mavs won't have to count on Fulton as much as they did last year. Elliott was the leading Mav rusher last year with 852 yards.

Adding to the optimistic offensive picture is the return of senior QB John Bowenkamp. Bowenkamp was injured in last season's first game and received a hardship year.

This is the Mavericks' first season of North Central Conference competition. It promises to be an exciting one!

Steve Miller

Brief Outlook

Under new head coach Steve Miller, the Chiefs will try to improve on the 1-7-1 season recorded in 1976.

Miller, who posted a 30-14-1 record in five years at Cornell College, has one of the top quarterbacks in the NCC returning in Greg Mieras. Mieras finished second in the league in passing in 1976 and second in total offense his sophomore year.

To complement Mieras in the backfield, there is running back Tim Winter and slotback Brant Bielenberg who also possesses good hands. The main loss was All-NCC and pro signee Joe Longo at wide receiver.

Miller hopes to improve on the Chiefs' defense that was scored upon with 190 points last season. Ends Jim Mol and Doug Bowers plus reserve end John Roberts work alongside giant tackle Art Turner (6-6, 283). The linebackers are big and talented and led by Dude Phipps and Steve Siebecker. The loss of cornerbacks Ron Heaton and Jim Engler is made up by veterans Mike Blum, Steve Papian and Clark Benne.

Brief Outlook

It should be a warning to all opponents of South Dakota State that head coach John Gregory has never had a losing season in his past five with the Jacks.

Last year was no exception for the Northern Iowa grad. SDSU finished second in conference standings with a 4-1-1 record. Their overall tally was 5-4-1.

All-North Central Conference split-end Monte Mosiman, who grabbed a 55-yard scoring bomb that handed UNI a 16-13 loss at the buzzer last season, returns to pace the Jackrabbit offense.

Mosiman caught 51 passes last fall, averaged 16.5 yards each grab, and scored six touchdowns.

Tackle Bill Matthews, 6-3, 235, another all-NCC choice, returns to beef up the Jackrabbit defensive line.

The SDSU gridiron squad should be fairly experienced on both defensive and offensive teams, returning 14 lettermen to each.

Gone from last year's team is senior quarterback Dick Weikert, fullback Paul Konrad, the Jack's top rusher, and all-NCC picks safety Doug Jackson and linebacker Gene Ludens.

Colors: Vermillion Red and White

Athletic Director: Beanie Cooper
SID: Ron Lenz (605) 677-5331
Head Coach: Beanie Cooper (7-13-1)

Brief Outlook

For the first time in Beanie Cooper's reign as head coach, the Coyotes enter a season with experience at every position and no gapping question marks. There will be 29 players around with previous starting experience. There's a player who has started at every position except split end and flanker on offense. But even those positions have people with experience returning.

Defensively, this should be USD's best team since the Super Shrimps of the 1972-73 seasons when USD won North Central Conference titles. And the Coyotes are far from shrimps now with good size up front, solid linebacking and the best set of defensive backs USD has had in five seasons, since the John Sanders-Johnny Vann combo.

Offensively, the right side of the line is intact, last year's top two quarterbacks return as does runningback Mike Maguire, the Most Valuable Offensive Back in the North Central Conference last year. The question is on the left side of the line where the top three performers from last year, including all-NCC tackle, John House are gone. Record-setting all-NCC split end Mark Neumann (51 catches last fall) is also gone, creating another hole, but there appears to be good talent available to replace USD's all-time reception leader.

QUICK FACTS

Location: St. Cloud, Minn.

Nickname: Huskies
Colors: Cardinal Red and Black
Stadium: Selke Field
Athletic Director: Rod Anfenson
SID: Bill Lynch (612) 255-2141
Head Coach: Mike Simpson (25-26)

Brief Outlook

The loss of 15 lettermen who played frequently for the Huskies for the past few years will hurt. Gone is record-setting wide receiver John Kimbrough, Steve Erickson, quarterback, and Harry Weilage, wide receiver. All three combined to establish numerous St. Cloud State and NIC records during their four-year tenure with St. Cloud State. Coach Simpson will have to fill these skilled positions and a number of qualified candidates wait in the wings, ready to take center stage.

The Huskies return 12 defensive and 15 offensive lettermen. Included in that group are both starting runningbacks, Rick Theisen and Ken Neumann. Erickson's back-up Brian Loftsgard returns at quarterback and receiver Curt Sauer and tight end Pat Backes also will fill skilled positions. St. Cloud State is expected to switch from a passing attack to one that will focus on the running game. Loftsgard is an excellent running quarterback and his talents will be utilized in this department as the option could be a major component of the Huskies' game plan. Protecting Loftsgard is a fine offensive line composed of many veterans from last year's team.

The defensive secondary will require much work as a result of losing All-NIC cornerback Charlie Dinkel. However, Gary Frericks and Keith Nord return, giving Coach Simpson two solid performers in the secondary. The defensive line is expected to be the best ever and all linebackers appear solid. Last year the defense was first in scoring defense and first in passing defense as they paced the NIC.

University of Northern Iowa

The University of Northern Iowa, one of the nation's leading institutions of higher learning, is the outgrowth of the Iowa State Normal School established by the General Assembly in 1876. On September 6 of that year 27 students under four instructors began classes in a renovated home for Civil War orphans. This building, later named Central Hall, was destroyed by fire in July, 1965.

From a single building on a 40-acre campus, the University has grown to include over 40 major buildings, a 721-acre campus, over 500 faculty members and over 9,300 on-campus students. Of the 10,181 enrolled for university credit in the fall of 1975, 9,358 were on-campus and 823 were through extension and correspondence. The University also maintains a laboratory school for some 700 students in pre-school through 12th grade.

In 1909 the institution was renamed the Iowa State Teachers College and the government of the College, along with that of the University of Iowa and Iowa State University, was vested in the State Board of Regents, a nine-member body appointed by the Governor. Under the new name, the College attained a reputation as one of the nation's outstanding institutions for preparation of teachers.

On July 5, 1961, the Iowa General Assembly on recommendation of the Regents changed the name of the school to State College of Iowa and redefined its function to include the offering of liberal arts degrees.

On July 1, 1967, the General Assembly on recommendation of the Regents approved University status. The name was changed to University of Northern Iowa and its function was again redefined.

Although teacher education remains its largest program, the University offers degrees to students majoring in a wide variety of subjects. Thus UNI has two Bachelor of Arts degrees, one with certification to teach and one without certification. Also, a Bachelor of Technology degree can be earned with or without certification to teach, and since 1969, the Bachelor of Music degree has

been offered. A Bachelor of Fine Arts degree was approved by the Regents in 1976. An Individual Studies major enables a student to pursue, with faculty approval, a wide assortment of study areas.

On the graduate level, courses leading to the degree of Master of Arts in Education were offered for the first time in the summer of 1952 and a sixth-year program leading to the Specialist in Education degree began in 1960. A sixth-year Specialist degree with a program in science education was inaugurated in 1970.

In 1964, the Master of Arts degree was approved by the Regents. The first Master of Arts degrees were granted in 1966. The Master of Business Administration degree was approved by the Regents in 1975, and the Master of Music degree in 1976.

The Industrial Technology Center on the South campus opened in August, 1975, while the UNI-Dome, a multi-purpose coliseum on the west campus, opened in February, 1976. Ground was broken in October, 1975, for the Speech/Art complex located southwest of Russell Hall, with completion anticipated in the summer of 1977.

The UNI-Dome—A Unique Coliseum

UNI supporters and the entire state of Iowa realized a dream come true with the completion of the UNI-Dome — a completely covered, multi-purpose facility with an air-supported roof — in February of 1975.

UNI-Dome, the prefix stands for University of Northern Iowa, as well as meaning one and unique, combines the features of three buildings — a football stadium, field house and large auditorium. It will host such events as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball, softball and field hockey games and wrestling and track meets.

The UNI-Dome's air-supported, Fiberglass fabric roof constructed by Owens-Corning Fiberglass Corporation, was erected at a cost equal to half that of conventional roof construction. And because of the dome's translucence, ample natural light is available during daylight hours — a sizable savings on utility costs.

Multi-Purpose Use

UNI-DOME was designed with "something for everyone." Its artificial turf for football games and practices can be rolled up in 45 minutes. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track. As many as 12 tennis matches and two basketball games can take place simultaneously at the field level.

Approximately 16,400 spectators can be seated for football and 7,254 for court-sized activities. For stage activities, such as commencement, concerts and artist or speaker series, total capacity — using movable bleachers and folding chairs — can reach 25,000.

Air-Supported Dome

The 168,000-sq. ft. dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12 stranded steel cables and four air blowers. A concrete and steel ring around the top of the 70-foot high stadium wall holds the cables.

The cables, which shape, as well as support the dome, are $2\frac{7}{8}$ inches in diameter. They vary in length from 395 to 484 feet, and together weigh 47 tons, or 94,000 pounds.

Two 40,000 cfm (15 hp) fans circulate air and maintain enough air pressure in the building to keep the roof inflated during normal use. Two additional 135,000 cfm (125 hp) fans, are used during inflation of the roof, during mass exiting from the building (which causes great loss of air pressure), during heavy snow fall for aid in melting snow on the roof, and during spectator events for heating and cooling the building.

Fiberglas Fabric Roof

The roof of UNI-DOME is made of 49 tons of woven Fiberglass fabric coated with Teflon. The fabric is self-cleaning and requires virtually no maintenance. It will not burn or support combustion, nor is it affected by ultraviolet radiation.

Approximately 60 percent of the dome has an inner liner of fabric that provides acoustical as well as thermal benefits. The liner tends to baffle the sound waves, and air from perimeter, where the pressure is greater than outside the building, can be diverted and blown between the two layers to facilitate snow melting.

Other Features

UNI-DOME has four main entrances, leading to a 32-foot wide concourse. Seats, color-matched to tickets, are easily reached through seven access gates on the east and west sides. A total absence of columns and posts gives every seat in the stadium an unobstructed view.

A service entrance, large enough for a tractor-trailer, is located on one end of the stadium. Concessions, displays, first aid stations and rest rooms are conveniently located on either side of the building.

A spacious press box atop the east stands has facilities for 10 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are a few other features.

Two huge scoreboards can flash messages and information to spectators throughout the events.

Plans call for the addition of handball courts, administrative offices, wrestling rooms, locker and training rooms and VIP boxes. Currently a tunnel connects UNI-DOME with the Physical Education Center for locker facilities.
